where are you now right in the crowd your gonna wait
save it for a rainy day your with me not with her let her
get what she deserves listen far away you cant here
me say im jealous i dont think so so what i put it in to a
song its not wrong you dont get it because you never
think at all the glasses shaddeded but you would never
notice so pick the easy way to late your gonna be so
sorry but it dosnt matter no so you cant listen far away
and here me say im jealous i dont think so so you no
how it feels but you dont think its real you know your
gonna get it ohhhhhhhhhhhhhh you cant listen far away
and here me say im NOT jealous NNNNNOOOO
