One day I'll say
Look at me now
And if I could
I'd treat you like a queen
No matter where you are
The beat stays the same
Maybe one day
I'll look around
And you will be
All I have found
No matter where you are
The beat stays the same
And where you are
Represents a beat
Love me or hate me
Just never forget me
Love me or hate me
Just never forget me
No matter where
Where you are
