Have Love,  
Oh baby I'll travel (aha, oh yeah)  
Have a Have a Have a Love  
Oh baby I'll travel (aha, oh yeah)  
And if you need lovin' then, uhuh, I'll travel

I'll travel from Maine to Mexico  
Just to find the girl that love me so  
No matter when, no matter where I'll be  
I'm lookin for a woman gonna satisfy me

And have Love,  
Oh baby I'll travel (aha, oh yeah)  
Have a Have a Have a Love  
Oh baby I'll travel (aha, oh yeah)  
And if you need lovin then, uhuh, I'll travel

I might take a boat, or I'll take a plane  
I might hitchhike or jump on a Railroad train  
Your kind of lovin drives a man insane  
So look for me walkin just any or way

And have Love,  
Have Love, will travel (aha, oh yeah)  
Have a Have a Have a Love  
Oh baby I'll travel (aha, oh yeah)  
And if you need lovin then, I'll travel

Have Love (have Love)  
Have Love will travel (have Love will travel)  
Oh baby have-a love,(have love) baby I'll travel.(have  
love will travel)  
I'll travel all-over the World(uhuh)

From Maine to Mexico  
Have Love (have Love)  
Have Love will travel (have Love will travel)  
And if you need lovin then, uhh, I'll a travel
