Advertising, so enticing, flashing at me  
I wanna buy everything that I see  
Traffic jams, political scams crowding my head  
Some days it's hard to just get outta bed  
But y'know...

**CHORUS**

Don't mean that much to me  
Don't mean that much to me  
What's real in life is free  
Don't mean that much to me, oh, no  
Don't mean that much to me  
Don't mean that much to me  
Oh, no, oh no no no

Wild nights, flashing lights blinding my eyes  
Everything made to just tantalize  
Dreamers, schemers sell the world by the pound  
Chargin' arm and leg for some piece of ground  
But...

**REPEAT CHORUS**

You know arrangements, they ruin my time  
Doesn't leave me with any peace of mind  
Stimulating situations tear me apart  
Man, lemme tell you, it just breaks my heart  
But...

**REPEAT CHORUS****SPOKEN:**

Man, lemme tell ya how my life had come to be  
I'd been engulfed in ultra-heavy negativity  
Worked like a dog, lost touch with "me", when all the  
best in life is

**FREE**

Now all that, all that, all that don't mean that much to  
me

**REPEAT CHORUS**
