[Chorus:]

I thought it would
Have been spring by now
And I thought my tears
Could have melted the snow
I thought I would
Have started
To know my way around

And I thought
This would feel like home
Feel like home

The ocean rings
Loud in my ears
Like the jet streams
That trailed behind
And I brought with me
All of my fears
They keep me safe
They hold me still
And they make me blind

And I wanna go home
I wanna go home

He says why
Do you wanna be a boy
What do you
Gotta prove anyway
If you come home
Everything will be ok
You can hide here
You can hide out
In my arms
I'll never let you
Know fear
And I'll never let you
Fear harm

If you come home

Why don't you
Come home

[Chorus]

And I thought
This would feel like home
Feel like home
