Mi Amor, Mi Amor
There were thousands of reasons, for sure
And I stayed quiet
But, that was me before
Mi Amor

Te ame, Te ame
I would never ever let you go away
You're in my soul
And that's what love is for
Mi Amor

You're the one that I adore
The reason that I'm livin' for
Por siempre quiero sentir
Tu calor

Mi ilusi3n, Mi ilusi3n
My thoughts are just of you when I'm alone
Our love is real
And now I'm your se±or
Tu amor

Mi Amor, Mi Amor
I love the way we share our lives, that's for sure
And every day
We fit together more and more
Mi Amor

Mi Amor

Mi Amor

Mi Amor
