Oh, The boss is coming!
You Better look busy,
They aren't paying, you for nothing

There's no time for loving!
In the summer, in the city
There's only room for the sway,
There's only room for the sway

Oh!

Oh oh oh!
Oh oh oh,
Oh oh oh!

There's no room for error,
So in when, when your ass is on the line,
How long has a witness, much forgiveness
In this buisness.

Oh you better not be sitting!

Oh you know they're not kidding!
When they're talking the talk,
When they're talking the talk,
When they're talking the talk,

It's worse than yelling,
Oh, it's worse than yelling!

Oh oh oh!
Oh oh oh,
Oh oh oh!

There's no room for error,
So in when, when your ass is on the line.
How long must has a witness, much forgiveness,
In this buisness.

Punch it in,
Punch it out,

Punch it in,
I'm punch it out!

Punch it in,
Punch it out,
Punch it in!

I'm punch it out!
I'm punch it out!

There's' no room for error!
So in when, when your ass is on the line,
How long has a witness, much forgiveness,
In this buisness.
