Kirei ni saito haru no hanayo
Boku no me ni wa sou utsuranai
Kimi ga koko ni inai nara
Kono sekai ni miru mono wa nai
Nothing matters
So now I'm sitting in the dark
Missing the light that you brought to my life
And it's just ain't there
Kimi ni todoku you ni
I swear

I rather have a rainy day with you than see the sunshine
alone
Or have a hundred days of winter with u here in my
arms
I'll be your shelter from the storm just to have you by
my side
Ima aeru nara... ima aeru nara

Ima mo utsukushii kagayaki miru tabi ni
Kimi no hohoemi omoidasazu ni irarenai
Kimi no kakero wo atsumete shimaru
Kasumu kioku no haka de wa

I rather have a rainy day with you than see the sunshine
alone
Or have a hundred days of winter with u here in my
arms
I'll be your shelter from the storm just to have you by
my side
Ima aeru nara... ima aeru nara

I need you back baby (baby)
So baby come back to me
So you would you come back to me
You know
Imma
My life without you
Kaketo ai no uta

Ima anato ni imi wa anata ni utau to shitara

Anata he to utau watashi no kotonaha wa
Dakishimeta kazu dake kizutsuiteke deshau

I rather have a rainy day with you than see the sunshine
alone
Or have a hundred days of winter with u here in my
arms
I'll be your shelter from the storm just to have you by
my side
Ima aeru nara... ima aeru nara
