I got a one way ticket to Mars  
Girl, where weâ€™re going we donâ€™t need a car  
Just take my hand and letâ€™s get out of here  
Right nowâ€”

All up on my body all night  
Silhouette is sexy in the moonlight  
You donâ€™t have to be afraid to fly  
Weâ€™ll be there before you know

So baby letâ€™s go  
Make love until the Sun Burns Down  
Do the impossible  
Make love until the Sun Burns Down

Just follow me got what you need  
Imma take you there  
Just wait and see  
So baby letâ€™s go  
Make love until the Sun Burns Down

I think I know just what you wanna do  
A bed of roses ainâ€™t enough for you  
Next flight is leaving 30 minutes from now  
I see that look in your eyes

All up on my body all night  
Silhouette is sexy in the moonlight  
You donâ€™t have to be afraid to fly, fly  
Weâ€™ll be there before you know

So baby letâ€™s go  
Make love until the Sun Burns Down  
Do the impossible  
Make love until the Sun Burns Down

Just follow me got what you need  
Imma take you there  
Just wait and see  
So baby letâ€™s go  
Make love until the Sun Burns Down

Hey girl we never do the regular  
Extraordinary is the move  
Iâ€™ve got supernatural plans for you  
So hold on tight and baby we can go

So baby letâ€™s go  
Make love until the Sun Burns Down  
Do the impossible  
Make love until the Sun Burns Down

Just follow me got what you need  
Imma take you there  
Just wait and see  
So baby letâ€™s go  
Make love until the Sun Burns Down
