This is not a good idea  
I know it isn't right  
But I'm giving it my all  
This is war  
So I'll fight

I'm not quite cut out for this  
I don't stay mad for long  
But my attacks are planned  
Rockets poised so I'll launch them

If you can't get what you want  
It's not always worth the trouble  
You and I know  
But if you stop  
It's not giving up  
To know you're wrong

How can I just take it back?  
When my hands are all tied up  
I'm looking for some symmetry  
It's fucked  
But I need some vindication of punishment  
I know I'm playing God  
But I remain fearless  
I don't trust that they'll grant the charge

What you want is not always worth the trouble  
You and I know  
But if you stop  
It's not giving up  
to know you're wrong  
and I'm wrong

What I want  
is not always worth the trouble

you and i know  
so if i stop  
its not giving up  
to know you're wrong and I'm wrong
