Who am I to say I want you back?
When you were never mine to give away.
I was waiting for a long, long time
For you to feel the same.
Who are you to look at me like that?
Is there something more you need to say?
I haven't loved you in a long, long time,
so why do I feel this way?

Can you hear my heartbeat?
Please don't stand so close to me.
Can you hear my heartbeat
Still beating strong?

Maybe I'm ashamed to want you back.
Maybe I'm afraid you'll never stay.
Thought I hated you a long, long time.
There was my mistake.

I just can't pretend that nothing's changed.
Can you comprehend just what to say?
If you break my heart a second time,
I might never be the same.

Can you hear my heartbeat?
Please don't stand so close to me.
Can you hear my heartbeat
Still beating strong?

I haven't loved you in a long, long time.
Thought I hated you a long, long time.
If you break my heart one more time,
I won't ever be the same.

Can you hear my heartbeat?
Please don't stand so close to me.

Can you feel my heartbeat
Still beating strong?

Can you hear my heartbeat?
When you stand so close to me.
Can you hear my heartbeat
Still beating strong?

Still beating strong.
Still beating strong.
