Gray no petals no introduction gray matter for  
introspection  
Water making and breaking seeming fine  
Faith no martyr no resolution depth of water over our  
heads in  
Breath restricted all suffocation ...breath

A trippy absolute  
Eye tripping disease  
No resolution no auto save

Crave it matters no fixed solution  
No path crossed aging desert  
Scenic fixture and fixing ...wonder why

Goal neglected greed for negation  
Rights affected last stop salvation  
World objective equalization

CHOICE DECISION NO REAL DIVISION BACK BURN  
SYSTEM

Scream for your life

Faith no martyr no resolution depth of water over our  
heads in  
Breath restricted all suffocation ... breath

A trippy absolute  
Eye tripping disease  
No resolution no auto save
