I walk up in the club like R.I.P, 'cause I'm killing every  
nigga that my eyes can see  
I'm fresher than the rest, better than the best, I serve  
these rappers up like a certified chef  
I'm ill with this shit in case you didn't know  
'Cause I still got that pyroclastic, headbanging flow  
Polish the pistols, prepare for battle, pass the pump  
When I get to popping, niggas is dropping and they  
done  
Bitch I'm talking crazy, psycho, schizophrenic  
And I'm just warming up 'cause I know it's been a  
minute  
I step up in the club like R.I.P, I'm a 3-1-3 nigga, yeah  
that's all I be  
Blunt full of Purp, yeah, you know I stay high  
Throwing money to the air like I'm trying to pay the sky  
I'm a beast, I'm a ghoul, I'm a motherfucking scoundrel  
I put your ass to sleep, fucking right I nightgown you  
Fucking with me, yeah I'm on another level  
Niggas live in glass houses yet they still throwing  
pebbles  
No shirt, tattoos, and a couple war wounds  
We can draw them guns out and I ain't talking cartoons  
Let my dreads grow long like that girl named Rapunzel  
You rap niggas lost the game, I call that a fumble  
Tell ya girl a nigga trying to smash, she can do the  
Jimmy Neutron and give me a brain blast  
I'm hypnotized by her big round ass, but I'ma try to do  
the right thing and pull out fast  
Everywhere I go it's like R.I.P, 'cause I'm killing  
competition, please pardon me  
And my flow nasty like c-y-phyllis, it's still open season,  
any track can get the business  
Taking out rappers, exterminating  
Riding through ya hood, what we call that, perpetrating  
It's Jay F. Tae, I'm a beast, you a bitch  
The same nigga that claim he real is the same nigga  
that's a snitch  
Pull up on them hoes like R.I.P  
Watch 'em hop up in my whip and suck my d-i-c  
K, I am ill so don't play with me  
I'm the best, I'm the shit, yeah, basically
