I done kept it real from the motherfucking jump
Catch me getting head in the whip, smoking on that
skunk
I be blazing on that Bubba, mix it with the Widow
Then I stuff it in a blunt that is fatter than a pillow
Nigga, started from the bottom, now I'm standing at
the top
Bruce Lee flow, get ya song karate chopped
I'm a 3-1-3 nigga, until the day they bury me
Six mile nigga until six men have to carry me
Detroit, Murda Mitten, ain't nobody fucking wit' it
Got a black and red sow, wit' a fresh Detroit fitted
True Religion jeans, and a pair of new chucks
If you ask me what I give, I'd say I give zero fucks
I'm a beast bitch, I swear I kill anybody track
I'm a certified killer, now tell me what's yo' zodiac
It's Jay F. Tae, and the F is for fantastic
Because I take yo' track and then I make another
classic
Average, average, all you niggas average
I chop ya body up and hide you up, up in the attic
Savage, savage, I'm a fucking savage
Ain't heard about ya boy just know I'm all about the
cabbage
So detrimental, on any instrumental
I am beneficial, been official
Bitch, I am too official
Got that Eastside blood flowing through my veins
Riding in a six-speed, bitch I'm in my own lane
You boys tell stories 'bout the man
Say I never struggled, wasn't hungry, yeah I got it
nigga
I could fuck yo' bitch any second
Ain't really much out here that's poppin' off without us
nigga
We just want the credit where it's due
I'ma worry 'bout me, don't give a fuck about you
Nigga, just as a reminder to myself
I kill every single track even when I'm feeling chill
'Cause I started from the bottom now I'm standing at
the top

Wit' a bad yellow bitch, she make that pussy pop and
drop
M.O.B nigga, that's the motto in my hood
And I'm from the area called "I wish a nigga would"
No new niggas, nigga we don't feel that
Fuck a boyfriend, pop that pussy open bitch
We don't like to do too much explaining
Swear the story stayed the same, I never changed it
No new niggas, nigga we don't feel that
Fuck a boyfriend, pop that pussy open bitch
We don't like to do too much explaining
Swear my story won't change through the money and
the fame

(Chorus)

'Cause we started from the bottom now we here
Started from the bottom now the whole team here
nigga (x3)
