(Chorus)

I walk in, then I turn up, pockets on a milli
Shawty got a tan like she come from the Bahamas
I do this all night, man I should wear pajamas
Eating these rappers like a school of Piranhas
I walk in, then I turn up, in then I turn up, I walk in, then I
turn up, in then I turn up
I walk in, then I turn up, in then I turn up, I walk in, then I
turn up, in then I turn up

(Verse 1)

I walk innnnnnnn, and I turn up, then I kick the shit out
this beat 'cause you pussy niggas weak
And then I'm like damnnnn, you niggas not one
hundred, yeah I keep this shit one hundred, all these
pussy niggas running yeah

(Chorus)

I walk in, then I turn up, pockets on a milli
Shawty got a tan like she come from the Bahamas
I do this all night, man I should wear pajamas
Eating these rappers like a school of Piranhas
I walk in, then I turn up, in then I turn up, I walk in, then I
turn up, in then I turn up
I walk in, then I turn up, in then I turn up, I walk in, then I
turn up, in then I turn up

(Verse 2)

I walk in, then I turn up with a pocket full of hundreds,
looking for a bad bitch so I can put this dick up in her
stomach
And in case you haven't heard, excellence is my
pedigree
And my flow so on point that some would say it is
unsettling
I be ridin 'round the city blowing stacks on stacks,
blowing racks on racks, what you know about that
If a nigga jump stupid then I blow his cap back
Then I load up my gat and wipe his fam off the map so
Don't forget where you at because I say one word, and
my goons will straight attack

And I'm turned up off that ecstasy, told you pussy niggas
not to mess with me
Because I am the Grim Reaper, and I am the one who
will decide your destiny
And I also told you that killing beats would be my
specialty
I'm a chemist when I step up in the lab and I got the
special recipe
Riding in a Caddy, now tell me who ya daddy, when I
smack that ass baby 'cause you know you got a fatty
Spending big checks, spending big bags
Niggas still talk shit but I'm on my red flag
If a nigga jump stupid then he get a foot tag, I'm like
the Flash in a race coming first for the cash
So now you niggas see why i be turned up to the fucking
max

(Chorus)

I walk in, then I turn up, pockets on a milli
Shawty got a tan like she come from the Bahamas
I do this all night, man I should wear pajamas
Eating these rappers like a school of Piranhas
I walk in, then I turn up, in then I turn up, I walk in then I
turn up, in then I turn up
I walk in, then I turn up, in then I turn up, I walk in then I
turn up, in then I turn up
