All eyes on baby  
Darling daughter  
She's learning to speak  
The words we taught her

All eyes on baby  
Darling daughter  
She's learning to wear  
The dress we bought her

Hush a bye, baby  
Darling, please sit still  
Silence is golden  
That's a good girl

I'll brush your hair back  
Tie it tight and trim  
Knees pressed together  
Darling, raise that chin

All eyes on baby  
Darling daughter  
She's learning to be  
The things we thought her
