Sun shone all day  
When you came to play  
Walked into a picture show  
And dreamed our lives away

Ran up the hill  
Crazy Jack and Jill  
Close your eyes and count to ten  
And I'll be back again

Bus stop blues  
Raining in my shoes  
Sucking on a cigarette  
So Johnny rotten cool

But did you know I'd still be waiting  
I'd still be waiting for the rest of my days?  
Where did you go? Now I'm still waiting  
I keep hoping and a praying for the rest of my days

Meet me at noon  
At the gag and spoon  
Drugstore instant photographs  
A teenage honeymoon

Eyes lined with goo  
Hair spiked with glue  
Sing me a song that's three chords long  
Inhale until we're blue

But did you know I'd still be waiting  
I'd still be waiting for the rest of my days?  
Where did you go? Now I'm still waiting  
I keep hoping and a praying for the rest of my days
