Run away with me, won't you?  
Run away with me, won't you?  
Run away with me, won't you?  
It don't matter where we go

Well, I have lived in this city nearly all of my life  
But in my heart there's a country tangled and wild  
And when I look in your eyes, love, I can see it there too  
All that's bright and alive, love lives deep in you

Run away with me, won't you?  
Run away with me, won't you?  
Run away with me, won't you?  
It don't matter where we go

We could live in the mountains  
Or we could live on the plains  
Or in a place far too beautiful  
Too beautiful to name

Run away with me, won't you?  
Run away with me, won't you?  
Run away with me, won't you?  
It don't matter where we go
