## Verse 1

Last night I had a dream ni\*\*as hating on me  
I was like what the fuck im just doing me yo  
im an animal with my own pedigree tho  
everyone crushing my heart like doritos  
and i read all that shit that i rewrote  
on my fucking brain rewinding like a video  
memories been large small medium  
and i keep it real positive never zero  
im a lover, so i love her, her,  
i never bought her, her,  
but i stole her  
when she talking i make her shut up  
kiss her with deep feelings thats how i show her  
this is not enough im waiting for more  
from 1 to 5 i want a rating over four  
to all my true ni\*\*as, thatnks for the support  
to all the other haters, get a passport

## Verse 2

If my dad dead, dont rest in peace  
banquet that chicken, and sip the grease  
that would please me, completely  
but if he still alive, stab a hickory stick in his balls  
weekly  
the world lost her virginity and it was to me  
man i fuck that bitch until it bleed  
i got hoes saying they love me,  
but they still owe me head cause that what they really  
want from me  
epic lies, empathize any size of problem

\*chitty chat\* you too much \*bla bla bla\*  
nigga stop the bullshit, remember karma  
the bitch aint fuck around, she visit me every month  
brah  
trust me, im not a hater  
but if your ass think it cute  
ill see it later  
uh  
and heres a suggestion, dont eww to a person  
cause that shit always reversing

Bridge

Haters got a different view  
I just keep ignoring, em  
They keep saying they better than you  
I just keep ignoring, em  
Hoes take me like a rental  
I just keep ignoring, em  
I just hope you aint in that group

Well everything uncertain, so im not really sure hey

Verse 3

Im just doing my thing and, i always  
find a lil thing that gets me worried  
and is love problems, plus even more problems  
is like the urge to have a girl dont erase  
im like involved in a maze, that im trynna escape  
real talk boy, like she my fucking piece  
that i been looking through these years, so i can live in  
peace  
and i dont seem to still find the hidden keys
