He's falling, he's falling, he's falling, \*\* all down  
He's falling, he's falling, he's falling, \*\* all down  
He's falling, he's falling, he's falling, \*\* all down  
He's falling, he's falling, he's falling, \*\* all down  
He's falling, he's falling, he's falling, \*\* all down  
He's falling, he's falling, he's falling, \*\* all down  
He's falling, he's falling, he's falling, \*\* all down

Gabriel, Gabriel  
Gabriel you've gone too far  
Gabriel you've gone too far and you should hang your  
head in shame  
For these wounds I cannot stay, you've gone too far  
You've broke my heart, you've gone too far

Verse 1:

Wide awake and I can hear my heart beat  
Hopes it cradles me and rocks my bones to sleep  
Protector in the light and a stranger in the dark  
And he don't say anything more  
Bound by suffocating secrets I must keep

Gabriel you've gone too far  
Gabriel you've gone too far and you should hang your  
head in shame  
For these wounds I cannot stay, you've gone too far  
You've broke my heart, you've gone too far

Verse 2:

The sum of all the parts that you have taken  
Are a fraction of the parts that make me whole  
He was stronger than I was but it's strength you can't  
sustain  
Do not come to give me counsel you should beg  
forgiveness  
Of me Gabriel, Gabriel, Gabriel, Gabriel, Gabriel,  
Gabriel, Gabriel,  
For he was stronger than I was but it's strength you  
can't sustain  
Do not come to give me counsel you should beg  
forgiveness  
Of me Gabriel, Gabriel, Gabriel, Gabriel, Gabriel,

Gabriel, Gabriel,

He's falling, he's falling, he's falling, he's falling, all  
down

He's falling, he's falling, he's falling, he's falling, all  
down

He's falling, he's falling, he's falling, he's falling, all  
down

He's falling, he's falling, he's falling, he's falling, all  
down

He's falling, he's falling, he's falling, he's falling, all  
down

He's falling, he's falling, he's falling, he's falling, all  
down

He's falling, he's falling, he's falling, he's falling, all  
down.
