Joey is a Punk Rocker  
I got a little problem,  
That's really got me low.  
I got a crush on this beautiful guy,  
And nobody can know.  
For a straight A, cheerleading, popular girl  
It's wrong to like this kind of guy.  
If we were ever seen together in public,  
My friends would scream and my mother would die.  
And on top of that I wanna ask him if he likes me or  
If he thinks I bite.  
No matter his reply,  
I'll never take my eye off this different kind of Mr.  
Right.  
His hair is dirty,  
And he paints his nails black!  
He wears dog tags,  
And patches on his backpack!  
He curses like he's got Tourette's  
And he smokes and chokes on cigarettes.  
But I'm in love, I'm in love, I'm in love  
But no one can know.  
And I'm in love, I'm in love, I'm in love  
With a punk rocker named Joe.  
Don't really fit together,  
We're like Micky D's and fine wine.  
I tell myself "Megan, this will never work out!  
He's on drugs, and you're on kick line!"  
But what sets him apart from the other guys,  
Is the soul behind those blood shot eyes  
And I'm in love, I'm in love, I'm in love  
But no one can know.  
And I'm in love, I'm in love, I'm in love  
With a punk rocker named Joe.  
But I wish I had the courage to talk to him  
And walk with him down the hall  
And not worry about what other people say.  
See the way they make fun of him,  
He doesn't seem to mind at all.  
No, Joe doesn't care.  
If they look or stare  
Wish I could be that way.

Last night I went to see his band play  
His stage name is "The Pagan"  
And right before they sang "The Chase of Love"  
He rips off his shirt and says, "This one goes out to  
Megan!"  
And in that instant I saw, I knew  
That his nipples were pierced,  
His heart was too!  
And he's in love, he's in love, he's in love  
And he wants me to know.  
And I'm in love, I'm in love, I'm in love  
And I think I'm finally gonna tell him so,  
Oh!  
And they can call me names!  
And let them not support me!  
Just as long as we're together,  
Baby I don't care!  
We'll be just like Kurt and Courtney!  
They can look and gawk and stare and sneer  
But I'll shout it for the whole damn world to hear!  
That I'm in love I'm in love I'm in love!  
Oh I'm in love, I'm in love, I'm in love!  
Oh I'm in love, I'm in love, I'm in love!  
With a punk rocker named Joe.  
I'm in love, I'm in love, I'm in love  
And now you know!
