I am flyer than a falcons feather
So High if i fall iam the weather
My line is that robot
I am not a rapper , Supa - Hot
Sicker than the word ill
like I overdosed on expired pills
I am straight forward
no gay back
the days norward
so i got a maybach
I ain't signed but i soon will
Men In Blue, Im no will
walking on coloured tiles
If you can't pay attention get a free trail
Am sixteen but I look the same
mentioned her so many times bet she thinks Im lame
swagger up the century
teller pellerie
Album coming soon but my mixtape has arrived
These rappers say their eating but more like I would
survive
she text me i hate you
so i forwarded it to her boyfriend
Call pixar and tell them that i really talk to Toy friends
T shirt so blank the letters are the thread
And the only time i don't wanna be up is if before it it
says fed
These rappers say their swag but are more like gaws
shaqs retire left the NBA with no jaws
I dress normal when i go to parties so i get noticed
If you are in the building then Im in the province
Skip classes for a Jet
Drive my car in that 106 and park
So psychopath am in Freddie's dreams
with guns , knives and laser beams
They say the situation was tight
it was half and half like a friend invite
Won't avenge my enemies cause im no marvel
If their stoned then im gravel
quick tip get a chick and dump her before you travel
2 am and am still up
I am no cat but im still top

Wrote my lyrics with Paper Mate
Don't Pirate, this is no Aye Mate
I use to fall but now im strong enough to get up
Strong enough to withstand the haters , avoid them
and just say what's up?
avoid them and just say what's up
My type is paige hurd
if you type my name and see my page, like, you heard?
Am on the zillboard
Fairytale, am jack and jill jill bored
Cigar in my mouth while i say it cost a fortune
Shout out to chris brown and his whole fortune
I am in a different zone
search it on google space
think trice before you play this ain't Angry Birds Space
Double up the money, keep it in pace
You rappers just copy and paste
Catch me if you can but yoda said can you if me catch
Im messi in a football match , I dribble , I scribble, I
nibble
Swag
yo!
The Comic Boy mixtape, haha, you know what it is
no mason x4
yh , uhuh, leggo, bye
