Come to the rescue now  
Come to the rescue and stay for a little while  
Come to the burning house  
All of the ladybug's children are screaming fire  
Come to the rescue now

Tomorrow may change, tomorrow may change  
Or it may never come  
Tomorrow may change, tomorrow may change  
But it may never come  
Turn around, turn around, turn around, what do you  
see?

Come to the rescue now  
Come to the rescue before all our worlds collide  
Life is a dream somehow  
Life is speck of dust lodged in God's eye  
Life is a dream somehow

Come to the rescue now  
Come with a mission and come with a broken heart  
Life is a dream somehow  
Life is a dream and our lives are a world apart  
Come to the rescue now

Tomorrow may change, tomorrow may change  
Or it may never come  
Tomorrow may change, tomorrow may change  
But it may never come  
Turn around, turn around, turn around, what do you  
see?

Come to the rescue  
Life is a dream somehow  
Life is a nightmare and life is a bitter pill  
(Life is a dream somehow)  
Life is a Disneyland ride which is better still  
Come to the rescue now

Life is a drowning pool  
Life is a circus for fools just like you and me  
Life is a mortal coil

Wrapped in cheap tin foil on a kitchen sink  
Come to the rescue now

Tomorrow may change, tomorrow may change  
Or it may never come  
Tomorrow may change, tomorrow may change  
But it may never come  
Turn around, turn around, turn around, what do you  
see?

Dreams somehow, come to the rescue now
