Oh, I know something about the ways of loving  
And I tell you, baby I think somethings wrong  
Look to the sky above and the mud below  
Something drives me crazy, got to got to get away

Goodbye, goodbye, goodbye, goodbye  
Goodbye, goodbye, goodbye

With without a doubt, I'm telling you I'm burnt out  
My tank is running on empty for far too long  
Oh, I need fuel 'cause I'm getting so low  
Something drives me crazy, got to got to get away

Goodbye, goodbye, goodbye, goodbye  
Goodbye, goodbye, goodbye, goodbye

I need fuel, just the kind you give me  
Makes me feel so bad  
Goodbye, goodbye, goodbye, goodbye  
Goodbye, goodbye, goodbye, goodbye, goodbye

I can't believe  
I'm still around  
It's getting kinda late  
I'm gonna leave  
For a change of scenery  
I'm going crazy  
It's not the same  
Since you've been around

I'm crazy, so crazy  
You treat me like a dirty clown  
You're always kickin' my dog around  
I never get nothin' but constant abuse from you  
You couldn't care less what I think, or my point of view

You're always puttin' the make on my friends, always  
giving  
Them eyes and the dirty lies 'bout me and you  
Well I'm through, it's the end of the line for you babe,  
here's a  
Ticket one way Cincinnati, I'm sendin' you home to your

ma  
And your daddy, so don't try to call me  
You'll only be wastin' your time

Oh, I know something about the ways of loving  
And I tell you, baby, baby, baby, baby I think  
somethings wrong  
Look to the sky above and the mud below  
Something drives me crazy, got to got to get away  
I need fuel but just the kind you give me

Goodbye, goodbye, goodbye, goodbye  
Goodbye, goodbye, goodbye

Goodbye, goodbye  
Goodbye, goodbye  
Goodbye, goodbye
