Sweat, sweat, sweat

Born for trouble, poised for action  
Ready to spring at a moment's notice  
Nerves like a trigger, waiting to be pulled  
Covered with sweat, it ain't nice

Sweat

Help me please I'm burning up  
I got this fire in my heart  
Won't let me sleep, can't concentrate  
Even when it's cold I'm dripping sweat it ain't nice

Sweat

Rivers running down my back  
Makes me slippery, like a fish  
If I don't stop, I might drown  
Falling down, down, down, down, not dead yet  
Covered with sweat

The cool boys bit the dust  
They couldn't take the pressure  
The cool girls got knocked up  
They only wanted to have fun, where did they go  
They fell in love and suffered, where did they go  
They picked up guns and hammers, where did they go  
Without friction there's no heat  
Without heat there can't be fire  
Without fire there's no desire  
You're making me hot, hot, hot, hot, hot, hot, yo

Sweat, sweat

Take my baby, Saturday night  
It's hundred and ten, it's alright  
Close the door to my little room  
Starting to sweat, fun starts soon

Sweat

Principal caught me after school  
He gave me hell, he called me a fool  
He pointed his finger at my face  
Started to sweat all over the place  
Flowed like rivers, onto the floor  
I can take it give me some more

Sweat

War breaks out throughout the land  
Dodging bullets in the sand  
Enemy's getting much to close  
Sun beats down on the back of my neck  
Fingers twitchin', covered with sweat  
Covered with sweat

The cool boys bit the dust  
They couldn't take the pressure  
The cool girls got knocked up  
They only wanted to have fun, where did they go  
They fell in love and suffered, where did they go  
They picked up guns and hammers, where did they go  
Without friction there's no heat  
Without heat there can't be no fire  
Without fire there's no desire  
You're making me hot, hot, hot, hot, hot, hot, yo

Sweat, sweat, sweat, sweat

The cool boys bit the dust  
They couldn't take the pressure  
The cool girls got knocked up  
They only wanted to have fun, where did they go  
They fell in love and suffered, where did they go  
They picked up guns and hammers, where did they go  
Without friction there's no heat  
Without heat there can't be fire  
Without fire there's no desire  
You're making me hot, hot, hot, hot, hot, hot, yo

Sweat, sweat, sweat

Hot, hot, hot  
You're making me hot, hot, hot, oh  
You're making me hot, hot, hot, oh  
You're making me hot, hot, hot, oh

Sweat
