Please check out the song "This Bud's For You", by Benji Allen at:

Here are the lyrics:

#### THIS BUD'S FOR YOU

That TV commercial says  
This Bud's For You  
And they show ya all the good fun things  
That ol' bud can do  
Everybody's smilin', the party's in full swing  
But they fail to show, the watchin' folk  
What else their bud'll bring

#### CHORUS I

They never show the handcuffs  
Or those little holdin' cells  
And you'll never hear 'em tellin' you  
Of how puke looks and smells  
Nobody's got a black eye  
Nobody sings the blues  
So be careful bud, when ya hear  
This Bud's For You

Well I've been known to sip some  
And I know firsthand  
The costly consequences  
Of that buddy in a can  
It ain't always good times, like the TV portrays  
'Cause they don't include, the red and blues  
And that copper in your face

#### CHORUS II

They never show the food trays  
Served up in county jails  
And you'll never hear 'em braggin' 'bout  
The sky high price of bail  
Nobody's in a courtroom wearin'  
Funny orange jumpsuits  
So be careful bud, when ya hear

This Bud's For You

INSTRUMENTAL

REPEAT CHORUS I
