In This Place , In That Night , I remember Bieng Alive
I Can Hear The Bells In My Ears
I Guess We All Had A Chance To Breath
In That Street Was My Home
All I Remember Bieng Alone
I Can See My Gear On The Floor But Now Its Trash , Rust
Controlled !
Where's The Life You Told Me I'll Get ?
Where's The Love That You Always Bet ?
All What I Got Is Closed Eyes And Sighs
The Sickest Perfection In Your Lies

Where's The Life You Told Me I'll Get ?
Where's The Love That You Always Bet ?
All What I Got Is Closed Eyes And Sighs
The Sickest Perfection In Your Lies.
