(VERSE 1)

Fireflies, flying in the sky,
Love notes, look me in the eyes,
Rumors, hiding out behind,
Holding, hold your hands so tight...

see your eyes, staring like a sparks fly,
Sparkling, whisper through my eyes...

(CHORUS)

You see the world teach me how to be a better man,
but all i want to be is just your superman,
stay by your side, look you in the eyes,
and whisper im your superman...

Everytime theres always space for you,
time for you, everything,
as long as i love you, as long as you love,
i'll be your superman...

(VERSE 2)

as long as you're here, loving me its fine,
hold the promise, forever you'll be mine,
solving a clue, i dont mind its you,
hold my hands, together we can fly...

see your eyes, staring like a sparks fly,
Sparkling, whisper through my eyes...

(CHORUS)

You see the world teach me how to be a better man,
but all i want to be is just your superman,
stay by your side, look you in the eyes,
and whisper im your superman...

Everytime theres always space for you,
time for you, everything,
as long as i love you, as long as you love,
i'll be your superman...

(BRIDGE)

Love, Laughter,

Happy ever after,
Smile, Shining,
You will be with me forever...

(CHORUS)

You see the world teach me how to be a better man,
but all i want to be is just your superman,
stay by your side, look you in the eyes,
and whisper im your superman...

Everytime theres always space for you,
time for you, everything,
as long as i love you, as long as you love,
i'll be your superman...
