

Oi Polloi "Minority Authority"

Visit "[Minority Authority](#)" on MotoLyrics.com

Lied to, cheated and deceived
Ensnared in the web of lies they've weaved
Always restricted and confined
By rules of behaviour they've defined

But, it's only a minority in authority
We're the ones in the majority

Pressure forcing you to conform
Sanctions if you break the norm
You're an individual with a life of your own
But they're trying to turn you into a clone

But it's only a minority in authority
We're the ones in the majority

We've put up with too much for much too long
Now's the time to right the wrong
So don't just complain about how bad things are
'Cos together we could change it - we've the power
