Ready for a show something you'll never see.
Trannylicious in the house
Break it down JB

(Verse 1)
Hahahaha,
It's Johnnyboy bitches are they ready? Okay...

(Chorus)
Envy, Lust, Greed, and Pride
That's my life, No truths, No fucking lies. (x2)

(Verse 1)
Just 3 years ago, I started rockin' hard
Now my shit is so hot the world can see I'm a star
All my haters out there that wouldn't rep for me
All seem to know me now when my stilettos hit the street
Bitches wanna be me, Bitches wish they knew me,
Bitches keep on talking, while Pedos keep on stalking.
Bitches always ask "Why are you so effin hot?"
Why don't you ask your boyfriend?
Apparently you're not! (apparently you're not) (x3)
I know it's a shame you'll never forget my name
He'll be all up in your bed but I'm the picture in his head
(yup)

(Chorus)
Envy, Lust, Greed, and Pride
That's my life, No truths, No fucking lies. (x2)

(Verse 2)
Don't mean to be blunt but JB is in the front
Bitches gather all around AM, JB gonna hit the town
Bitches need to fall back
They need to understand
That Johnny Boy is here
And I'm gonna take your man
If you think I'm joking,
I'll help you understand
I'll knock your ass the fuck out out,

Have fun in neverland.
Have fun in neverland.
And I'm gonna take your man!

(Chorus)
Envy, Lust, Greed, and Pride
That's my life, No truths, No fucking lies (x2)

It's Johnny Boy Bitches...
