It's JB
When I step in the room
People crowd to see me
All up in my face, camera's there for me
Shakin' lot of action all up in this place
Bitch you need to step off I'll punch you in your face

(Chorus)
Bitches say I'm fake people say I hate
People think I'm scene oh my god it's JB
Call the paparazzi bitch you want your mommy
Go and tell your daddy bitch you acting caddy
Suck it like a ring pop grab my shit and get dropped
Fuck what you heard bout me
Bitch come on I'm JB

I'm JB
I'm just JB (x3)
What

(Verse 2)
Steppin' out tonight
Bitch I'm ready to fight Say that you don't like me
But you always watch me It's okay you got this
Bitch I got your man's dick
Wait, I got a witness, is this givin' you stress?

(Chorus)
Bitches say I'm fake people say I hate
People think I'm scene oh my god it's JB
Call the paparazzi bitch you want your mommy
Go and tell your daddy bitch you acting caddy
Suck it like a ring pop grab my shit and get dropped
Fuck what you heard bout me
Bitch come on I'm JB

I'm JB
I'm just JB (x3)
What

(Verse 3)

Stop with all your talking on my myspace stalkin
Acting like you know me bitch you ain't my homie
I lay it down for you cause I speak the truth
Better change that weave cause your shit lookin greasy

Chorus:

Bitches say I'm fake people say I hate
People think I'm scene oh my god it's JB
Call the paparazzi bitch you want your mommy
Go and tell your daddy bitch you acting caddy
Suck it like a ring pop grab my shit and get dropped
Fuck what you heard bout me
Bitch come on I'm JB

I'm JB
I'm just JB (x3)
Break it down

It's JB hit me with the KB toys
Yeah I like girls but I rock with the boys
Damn so sexy so make some noise on the dance floor
And he likes boys
In the back seat ride my whip
When JB wants he starts his shit
Independent you know you like it
Yo JB can I get a witness

I'm just JB (x6)
