Mirror Mirror on the wall who's top tranny of them all?  
Johnny Johnny Johnny Boy I'm your trannylicious toy

Uh oh oh (x3)  
Hold that thought

Verse 1:

They make me scream they make me moan  
I'm simply sexy head to toe  
Trannylicious what a tease, all my bitches on their  
knees  
My body's hot, my ice cream's good, your boyfriend  
really wish he could  
Your man I had him think again, Bitch you wanna come  
up dead

Chorus:

So twinkle twinkle make it bright, you have one wish so  
make it right  
They wanna fuck me every boy, cause I'm your  
trannylicious toy (x2)

Verse 2:

Toy, boy toy  
Louis, Gucci, it's a mess but bitch I only rock the best  
Blondes are cute, the bottles blue, I have to have the  
latest shoes  
My look is hot, my ass is tight, you wish you fucked this  
every night  
No disco stick, no 1-2-3ers There's only room for 1  
queen bee  
I'ma take you back to Just JB and make you see it's only  
me

J-J-J-Just JB (x4)

Chorus:

So twinkle twinkle make it bright, you have one wish so  
make it right  
They wanna fuck me every boy, cause I'm your  
trannylicious toy (x2)

Johnny Johnny Johnny Boy I'm your trannylicious toy

It's Johnny boy, he's back again  
The number one you'll find a trend  
No Britney Spears, No Lady Gaga and no more classic  
old Madonna  
His musics hot, we're grinding slow  
You hear this song to make it flow  
They maybe queens but this ones top trannylicious  
make it pop  
This beat is so hot I produced it make it rock  
Polka dot cause I'm from Poland  
Ooh la la, French bitch rollin'  
I get the girls rollin' feisty  
Johnny boy might call it hyphy  
Peace out my time is up She's trannylicious oh

Chorus:  
So twinkle twinkle make it bright, you have one wish so  
make it right  
They wanna fuck me every boy, cause I'm your  
trannylicious toy (x4)
