(Verse)

I hear it snap, hurry up, see,
Let's get rich and get the feeling to have it all.
A face that fits you, it really fits you,
It's a snip, bruised as a hobbit now.

(Pre-Chorus)

A reason to have it all.
Here it is, the pillow kids, have it all.

(Chorus)

Take in a car on run, I've got an ambition,
Broke as fits as mine,
We got a television.

(Pre-Chorus)

A reason to have it all.
Here it is, the pillow kids, have it all.

(Chorus)

Take in a car on run, I've got an ambition,
Broke as fits as mine,
We got a television.
