Ole He is a Bandit,the Bandit of Brazil.
He"s the quickest on the trigger,when he shoots he
shoots to kill.He"s the Hero down in Rio where they talk
about him still.

One day he roped a big Ranchero, who was rich beyond
compare and for ransom kept his daughter,she was
young and she was fair.

(Refrain) Ole oh ganga charo, the bandit of brazil, Ole
oh ganga charo,the Bandit of Brazil....

She was sweet and she was tender there was love light
in her eyes, in his arms she soon surrendered very
much to his surprize.

(Refrain)

He refused her fathers ransom and he kept the greater
prize, now at night they ride together beneath the blue
Brazilian skys.

(Refrain)
