

Joint Aktion "I Refuse"

Visit "[I Refuse](#)" on MotoLyrics.com

I think I made it clear, I'm getting out of here
So much I want to do, so many dreams to pursue
I'm rotting away in here, lost interest, I don't
care
I'm breaking out somehow, I need to live right now

I don't want to be like them
Dream of heaven while trapped in hell
I refuse to be what they expect of me
I will never be!

I hate this goddamn place, I'm in need of my own
space
Everyone is on my back, they all need to cut me some
slack
I'm rotting away in here, fading out is my greatest
fear
I need to get away, I need to find my own way
