Burnt down these heavyweight cages,  
A lifetime on minimum wages,  
Stand and wait the Heaven's gates.  
Two times, the world keeps on spinning,  
Right to the beginning,  
Turn the page, and see your face through these eyes!

Chorus:

Sometimes you're pushed to the limit,  
And it's hard to go on living  
This life, and be grateful for every minute,  
When it all goes slipping away,  
When it all keeps slipping away,  
Seize the day!  
Seize the day!

Highway coming up slowly,  
White lines nobody knows,  
I suffocate, like I was born to brake, say  
Goodnight to all of the hardship,  
I tried, but couldn't escape for Heaven's sake.  
Can you see my face through your eyes!

Chorus:

Sometimes you're pushed to the limit, (to the limit)  
And it's hard to go on living (go on living)  
This life, and be grateful for every minute,  
When it all goes slipping away,  
When it all keeps slipping away,  
Seize the day!  
Seize the day!

Oh, I'm making my way!  
I will show you some day!

Chorus:

Sometimes you're pushed to the limit, (to the limit)  
And it's hard to go on living (go on living)  
This life, and be grateful for every minute,  
When it all goes slipping away,  
When it all keeps slipping away,  
Seize the day!

Seize the day!
