uh, uh, uh, yeah
uh, uh, uh, yeah this feels good
let the beat right, lets just get right into it

i'm on my grown man maturity
you kids don't worry me
you've got to be kidding me
cause opinions are like thoughts
they don't mean shit to me
F.Y.I
originalities been fried
you're reciting the last guy's lines
like its cool to say the same thing twice
yeah nice
a bunch of bob barkers
guaranteed you sell out if the price is right
so that's why i'm flipping words like i'm ventnor white
no doubt i'm out this rap coffin
please don't try and pat sayjack what i'm offering
sing, rap, padoosh
you can put em on a wheel
give it a spin
yeah i swear thats my wheel of fortune
my brain skateboard, kickflips and backspins
lying on your bars
and i'm laughing
might be hot if it actually had happened
but this is the fasat we call average rapping

and i'm just trying to live my life
sip a couple brews thats fine
so sick of my 9 to 5
but for now i'm gonna sip and write
and i'm just tryna get away
and this music is my holiday
so as long as i'm happy
you're not gonna stop me
uh, uh, uh, uh,gonna stop me
uh, uh, uh, gonna stop me
uh, uh, uh, gonna stop me
hahahaha
