kush rolled glass full
haha kidding
pick up the drink
not a lot of people know how to use or have fun with
autotune
lets give it a shot!

remove off my hands
cut off my arms
i'll still never let you go
i'll still never let you go
remove my feet
cut off my legs
i'll forever stand in love
i'll forever stand in love
and ohhhh, it's been a long road home
and i want to trust you with my baby
i want to trust you with my baby
and ohhhh, it's been a long road home
and i want to trust you with my baby
i want to trust you with my baby tonight

I STILL BELIEVE IN LOVE!
ahhhhh

remove my brain
cut off my head
i'll forever think of you
i'll forever think of you
remove my soul
cut out my heart
i'll still feel the way i do
i'll still feel the way i do
and ohhhh, it's been a long road home
and i want to trust you with my baby
i want to trust you with my baby
and ohhhh, it's been a long road home
and i want to trust you with my baby
i want to trust you with my baby tonight

I STILL BELIEVE IN LOVE!
ahhhhh

and ohhhh, it's been a long road home
and i want to trust you with my baby
i want to trust you with my baby tonight
