Beautiful mind

she's a lady when she shakes it in the street
but she's an animal once we're up in the sheets
but i never want to marry your hear because she always
cheats
but that is ok because she's D.O.P.E.
i have 2 parking tickets, she has 43
and all my friends they love her, she drinks more than
me
and she really doesn't give a damn if i sing out of key
so baby what it look like. you're so D.O.P.E.

and she's the definition of my everything
i want to tell her so many things
kick back now i'm thinking about a wedding ring

she's so dope
and she's so crazy
and she's all mine
so don't try to play me

cause you're hands, have a hold on me
cause you're so D.O.P.E. (D.O.P.E.)

i was tryna stick so close to the plan
couldn't find my heart then it rose from the sand
so i propose a toast, east coast to japan
give you a massage for your soul in my hands
so much in common, she is mos def
the stars to my comet
she's so new age and far from the logic
that i can't find love and have it for eternity

get up now she can rock the hippy look
she's so out of sight
i'm just glad i made the cut
i'm so samurai
everything is cool with her
she don't need no candlelight
dinner, she's a winner we can kick it chill at TGI
Fridays, have a two for one but usually turns into 5

who the hell is driving home?
guess we gotta taxi ride
knock me out with a kiss like a jab
cause its punch drunk love in the back of the cab

and i can't feel my face
but you
look so damn great

she's do dope
she's do crazy
and she's all mine
so don't try to play me

cause your hands, have a hold on me
cause you're so, D.O.P.E.

and i can't feel my face
but you
look so damn great
and i can't feel my face
but you
look so damn great
