beautiful mind, mind  
beautiful mind, mind, mind, mind

tryna find my, soul  
tryna find my soul  
tryna find my, soul  
tryna find my, soul  
tryna find my

get that soul back  
cmon get that soul back  
tryna, tryna get that soul back  
get that soul back  
cmon get that soul back  
tryna, tryna get that soul back

said i'm just tryna get my soul back  
said i'm just tryna get my soul back  
somewhere along this road i may have lost my way  
but baby i'm ready to step again  
said i'm just tryna get my soul back  
said i'm just tryna get my soul back  
i look right and i  
might just give you something to talk about baby  
baby you better tell a friend

said i'm just tryna get my soul back  
said i'm just tryna get my soul back  
it don't matter what you say to me i'm just making  
music for my soul  
for my soul  
for my soul

get that soul back  
cmon get that soul back  
tryna, tryna get that soul back  
get that soul back  
cmon get that soul back  
tryna, tryna get that soul back

my soul is a slick oppurtunist using lyrics  
here's a meal for your thoughts

food filled with spirit  
never been affected by dudes who couldn't feel it  
when i buried in the same, i choosed to kill bill it  
i make music for my own uses  
never worry about approval from so called cool kids  
used to reduce thoughts of who i influence  
now i'm all about target  
hitting hearts like cupid  
i'm from the land of break beats and sick nets  
bass lines and backpacks  
grip tape then tape decks  
making music from the heart  
tryna seperate real from the fake but we're standing in  
the dark  
they used to tell me where the honeys at  
doing their recording and i bought it now i'm tryna get  
my money back  
I can't say when me and soul departed  
but i'm just tryna get back to where it started

get that soul back  
cmon get that soul back  
tryna, tryna get that soul back  
get that soul back  
cmon get that soul back  
tryna, tryna get that soul back
