said oh, it's the night before the mixtape drops
and i'm just tryna rest my head
it's the night before the mixtape drops
and a bunch of dark thoughts crawl in my head
what if it's not everything i wanted it to be
what if it sounds real good to me
but it doesn't sound good to him or her or anyone no
oh
then it hits me that i really don't mind
but i'd be lying if i said i didn't think twice
and i'm gon' say something i know i'll regret
we all just want to be loved

see we just want to be loved
is that so much to ask
see we just want to be loved
is that so much to ask
see i just want to be loved
is that so much to ask
see i just want to be
i just want to be loved

see everything i do i swear im self-conscious
ridiculous
this is nonsense
and just admitting this i'm getting kind of nauseous
i am not afraid
i am not afraid
see i am not afraid
to admit
i just want to be loved

see we just want to be loved
is that so much to ask
see we just want to be loved
is that so much to ask
see i just want to be loved
is that so much to ask
see i just want to be
i just want to be loved

i write how i feel and i will spit accordingly

half of yall, are boring
my tanks filled with thoughts that i ought to get rid of
so i'll pass be please don't gas me
and i'm just tryna see progress but yall don't want to
see change
because yall spit nonsense
get it? well maybe you do
well maybe you liked the song so from the start i was
proof

see we just want to be loved
is that so much to ask
see we just want to be loved
is that so much to ask
see i just want to be loved
is that so much to ask
see i just want to be
i just want to be loved
