Christmas just ain't Christmas without the one you love.
New Year's just ain't New Year's without the one you
love.

Underneath the mistletoe, I saw a face all a glow.
Last year, this time.
Now I stand all alone and my house is not a home
Without that girl of mine. Oh.

Christmas just ain't Christmas without the one you love.
And New Year's just ain't New Year's without the one
you love.

12 o'clock and all is well and I was doing oh so swell,
Last year, this time.
Going shopping for presents together and making
vows to leave each other--never.
It was a waste of time. Oh.
Christmas just ain't Christmas without the one you love.
Oh, oh, oh.
New Year's just ain't New Year's without the one you
love.

Oh, oh.
Christmas just ain't Christmas without the one you love.
Oh.
And New Year's is just another lonely night without the
one you love and ohhhh no.
(Christmas just ain't Christmas) No, no
(Without the one you love.) I'm gonna be lonely.
I'm gonna be lonely.
(New Year's just ain't New Year's) Oh, oh,
(Without the one you love.) 'Cause I said I need your
loving. Need.
Christmas just ain't Christmas without the one you love.
