Yeah.....Turn me up a lil' bit
Right there.....Uh
Yo, i never felt this way about a girl before
But I do.....uh, listen
Uh
[Verse 1]
See you walk in and I know
I can't even front girl
I want you to death
And there's nothin to stop me girl
A nigga want more then your
conversation,tempations,tempations
See cause' I may be young but I know
I'm not about to walk away
From this me and you moment don't you understand
Might be a reason
There's somethin' between us girl
[Chorus]
I'm likin' your game
Lets play it my way
(lets play)
Just cause' i'm young doesn't mean I don't know how to
play
Besides girl
You got me in a bad way girl
(and i don't' mind)
I don't mind losin'
Even let you win
Cause' sometimes even a real brother gots to say
(that's right girl)
You got me and bad way girl
(got me in a bad way girl)
[Verse 2]
See you laced at the toe
Lookin good as hell in them jeans
With a body lookin like you need a friend in me yeah
Ain't even gots to say, say, say
Cause' today lil' O
Has come here show
The kind of ghetto love that u ain't seen before oh no
Kinda modest that's just me

But i'm gonna play your game like it (hey yeah)
[Chorus]
I'm likin' your game
Lets play it my way
(oooooooooo)
Just cuz i'm young doesn't mean i don't know how to
Play
(doesn't mean i don't know how to play)
You got me in a bad way girl
(bad way don't mind losin')
I don't mind losin'
Might even let u win
Cause' sometimes even a real brother gots to say
(that's right girl)
You got me in a bad way
You got me in a bad way girl
[Hook]
You had me on the worse
But now i'm comin' back
I'm not afraid of losin' girl yeah
Its how you play the game and im'a play it like man
One on One you down
You see it you that's gon' be winin'
Its a once in a lifetime thing
So if you play it play it right
This game is just about fantasy tonight
Play it my way
[Chorus]
I'm likin' your game (oh ooooh)
Lets play it my way
Just cause' i'm young doesn't mean i don't know how to
play
(How to play)
Besides girl
You got me in a bad way girl
(O I don't mind losin')
I don't mind losin'
Even let you win
Sometimes even a real brother gots to say
You gotme in a bad way girl
In a bad bad way
[End]
In a bad (hey)
In a bad (yeah)
In a bad bad way (besides girl)
You got me in a bad way girl (in a bad bad way)
In a bad (hey)
In a bad (yeah)
In a bad bad way (that's right girl)
You got me in a bad way girl
In a bad

In a bad
Besides girl
You got me in a bad way
