Sh-Sh-Should've x4

Good loving  
The girls got pretty good lovin'  
Ask me how I know  
And I'll tell you so..  
She used to be my girl  
My Giiirl

I respect her  
When she was mine  
I used to make love to her(?)  
She wanted more than I could give  
But as long as I live  
She'll be my girl

Chorus:  
She used to be my girl  
She used to be my girl

She had a charming personality  
The girl was so right for me  
Shes my girl

And If I had the chance  
I'd take her back  
As a matter a fact  
Right away  
Like today

Not only good-lookin  
The girl was so smart  
Cant beat her cooking  
Ask me how I know  
And I'll tell you so  
She used to be my girl

I still love her  
I'd place noone above her
