Here we go
Climbin' the stairway to heaven
Here we go
Walkin' the road of ecstasy

Takin' the load
Of this ol' world off our shoulders
The door is wide open for you
The door is open for me
Hey, huh, huh

Here we go
Stealin' a moment of pleasure
You and I
We're gonna find the pirate's treasure

Here we go
(Oh, oh, oh, baby)
Oh, baby, here we go
Climbin' the stairway to heaven
Climbin' the stairway to heaven
And we're goin' step by step
Together, step by step
Oh, oh yeah, yeah, oh, yeah, yeah, yeah

Here we go
(Oh, oh, oh, baby)
Oh, baby, here we go
Climbin' the stairway to heaven
The stairway to heaven
And we're goin', we're goin' step by step
Together, step by step, oh

The stairway to heaven {Climbin', climbin'}
The stairway to heaven
The stairway to heaven {Climbin', climbin'}
The stairway to heaven
The stairway to heaven
The stairway to heaven
The stairway to heaven
The stairway to heaven

Put your hand on my shoulder
Lean closer and we're findin'
(Don't you wanna go, don't you wanna go, don't you
wanna go)
We'll go out and we're gonna find it
Hey, hey
In our own little corner of the world
Our own little spot (And I wonder), it'll be me and you,
come on
(Don't you wanna go, don't you wanna go, don't you
wanna go)
I said, baby, it's gonna be just like goin' on up (heaven)
Sweet life (heaven)
Nice life (heaven)
Ooh, ooh, ooh, ooh [Heaven], ooh, ooh, ooh, ooh, ooh

Stealin' a moment, stealin' a moment of pleasure
[Don't you wanna go, don't you wanna go, don't you
wanna go]
Just put your hand in mine
Talkin' 'bout heaven right here on earth
Gonna make it, gonna make it real
[Don't you wanna go, don't you wanna go, don't you
wanna go]
Real easy, easy for you, baby, come on and go with me
right now

I said it'll be just right [Heaven]
Sweet [Heaven]
Nice [Heaven]

(Heaven's on my mind) [Heaven]
Ow, oh, goin' on up [Heaven]
Goin' on up, it's gon' be just like

Walk with me ('Cause the door is open)
Talk with me (Come on, baby)
Love me, ooh...
[Don't you wanna go, don't you wanna go, don't you
wanna go]
Love me (Step by step now)
(Put your hand in mine) For all times
All the troubles in the world, and come on
[Don't you wanna go, don't you wanna go, don't you
wanna go]
Come on, come on, it's gon' be just like, just like
[Heaven]
Oh... (It's gonna, it's gonna seem just like) [Heaven]
Oh... ('Cause heaven's on my mind) [Heaven]
I said come on and go, go, go (Heaven right here on

earth) [Heaven]
Go on, go on (Heaven)
