I know this shit don't work out for everybody  
but I ain't everybody, I'm me!

You ever wanted something so bad, you do anything  
for it

Feel it in your soul and people tell you ain't ignored  
Like you could go to sleep, wake up,  
and it would be gone in the morning

Your parents say it's just a phase, like the shit ain't  
important

People see your passion, intentionally try to kill it  
They're mad at yourself, for you chasing your dream  
And they did it, cause before of you women only make  
it bitter.

They think they hate you, but they hate themselves for  
being a quitter

As time goes on, they block it out and they try not to  
remember

Can't escape, you gotta face it when you look in the  
mirror

They want you at one point, and they still try to forget it  
But fear beat them in, and they don't want to admit it  
..guide you and ever give you a vice

When after time they're complaining and bitching  
about what's wrong with their life

About all the shit they wish they could change if they  
could do it twice

Just get it right the first time instead of rolling the dice  
They're telling you your chance to make it is one in a  
million

They're lying, it's working, you're the only one that it's  
willing!

They're trying to discourage you cause they know for  
them that was too late

Misery left company, and they want you as a  
roommate!

Now you're ..hard to control your emotions

When the lack of support comes from the one who's the  
closest

When your mother and your father...

You can argue it how you want, but this how your

closet!

[Chorus: Eminem]

I'm sorry momma!

(I'm sorry, I'm sorry, I'm sorry)

I never meant to hurt you!

(I'm sorry, I'm sorry, I'm sorry)

I never meant to make you cry;

but tonight I'm cleanin out my closet (one more time)

(I'm sorry, I'm sorry, I'm sorry)

I said I'm sorry momma!

(I'm sorry, I'm sorry, I'm sorry)

I never meant to hurt you!

(I'm sorry, I'm sorry, I'm sorry)

I never meant to make you cry;

but tonight I'm cleanin out my closet!

Man, I think about all the friends I had that abandoned  
their hopes

Living with regress, cause they're trying to live up to  
their folks

Or destructive relationships that drove them off from  
their path

The other half draining in the other dream that I have  
I see women with a vision, let them niggers distract  
them

Had a plan, she get a man, she start hustling  
backwards

So preoccupied with him, and drama with other bitches  
She'd be down, and can't get on to get on top of her  
business

..want that, pat on their back from their chick

..freeze two times over and ain't getting that shit.

cause it is, his ambition is drifted away

Looking you for inspiration even if you gotta say:

[Chorus: Eminem]

I'm sorry momma!

(I'm sorry, I'm sorry, I'm sorry)

I never meant to hurt you!

(I'm sorry, I'm sorry, I'm sorry)

I never meant to make you cry;

but tonight I'm cleanin out my closet (one more time)

(I'm sorry, I'm sorry, I'm sorry)

I said I'm sorry momma!

(I'm sorry, I'm sorry, I'm sorry)

I never meant to hurt you!

(I'm sorry, I'm sorry, I'm sorry)

I never meant to make you cry;

but tonight I'm cleanin out my closet!
