You know that I'm a crazy bitch
[voice] I do what I want when I feel like it
All I wanna do is lose control
But you don't really give a shit
[voice] you don't let it go let it go with it
cause you're fucking crazy rock'n'roll

[Bridge]
you said hey
what's your name
it took one look
and now I'm not the same
yeah you said hey
and since that day
you stole my heart
and you're the one to blame

[Chorus]
Yeah
and that's why I smile
It's been a while
since every day and everything has
felt this right
and now you're turning all around
and suddenly you're all I need
The reason why I smile

That's not a black out I think
[voice] What did you, what did you put in my drink
I remember making out but then
I woke up with a new tattoo
[voice] your name was on me and my name was on you
I will do it all over again

[Bridge]

[Chorus]

You know that I'm a crazy bitch
I do what I want when I feel like it
All I wanna do is lose control

You know that I'm a crazy bitch
I do what I want when I feel like it
All I wanna do is lose control

[Chorus]
