2013 is on, right?
Still sleeping mistape on the way
On conscience stake, coming on iTunes
Yâ'all know how we do, avf shit

All I see is posters all with my face on it
Tell your chick put a face on it
Got a bad bitch and these steak homies
Murder track, put a case on me
I run shit, I ball hard, you niggas out of breath
Tryina chase Kobe
I canâ't miss, I make hits
Even the umpire ainâ't safe from me
They miss me, they miss me
Too long we gone without real shit
Iâ'm still me, and Iâ'm still real
So shit, thatâ's what yâ'all still get
Yâ'all niggas lame, yâ'all fuck boys
Yâ'all niggas sweet like yâ'all fuck boys
I fuck hoes, lord knows that extra magnum so clutch,
hoe
That extra magnum so clutch, hoe, that extra magnum
so clutch, hoe
Niggas all on my dick, vice script haters came to my
nuts go
Michigan, thatâ's my state, michigan thatâ's my mind
state
I michigan like eminem, like gm how crime rate
Iâ'm never gonn stop, get better and taking these
veterans spots
No Iâ'm not arrogant, stop
Iâ'm my own worst critical, allow me to give me my
props, yeah
Sick to die can give me my shots
Shots is all I ever heard
Fly city, civic hoodâ...
I ainâ't gotta brag about my city dude
Cause I know that you use your head to make bad
decisions
So thatâ's what niggas put hoes there
Ainâ't proud of that just aware of that

Yâ'all niggas should be scared of that
13 murders in one week, your hood hollywood
compared to that
I put on cause we need this
I put on cause we need this
Fuck yâ'all, streets smart, genius, deanâ's list
This is for my city and this is for my town and
This one is for my people outta state that hold me
down, G!
Iâ'm back
