Girl make it ass... like it's proud of me
Put on the show taking from my nigga that know
She'll be f*cking niggas at hoes
Every... just flying up like Marilyn Monroe
Lose like a baby two baby you ain't wearing baby...
Feeling like a nigga in the navy
You got a little freak in you that's she's telling me
She wants a French kiss my tip man I'm like...
She bought everything sexual... bitch named Rachel
Don't really f*ck with spa but love... bad luck LA bitch
Had a... in the bedroom has stables
... no stables got a touch in the ankles
Like... in nobody going on kind of ankles
Look she love it every minute that we're spending when
I'm in it
Here spinnin like exorcism when I'm in it
You tell me you aint' living here... in the world
We're just tryin... get a... in the whack
No I'm not an asshole
But what you be a whack for
When we was going to the hotel
You ain't tryin to f*ck and when we come back for look
No you sad, and now you mad
You learn to respect yourself when you...
That's on cool I ask on that
We've been drinking all night tryin to get passed on
that
You go we was going to the room
Take off by shoes, watch cartoon, make animal
balloons
We both... btu I ain't scoring
What the f*ck am I doing
I run game you're the next get tested
Watch who you messed with
See time is money and don't get stuck with the bad
investment
No question, I just take it with the great resort
Then if we make into the room nobody came and talk
I've just seen many niggas mad taking it lost
But if you think... she'll be taking it off

Season 2 on the way
You already know how I get down

I know things get hard because you
... you got it..
And you're telling how it's working...
Wonder... what's on your mind
It must be hard... 'cause the...
Now I can say it
I'm so, I'm so, I'm so, I'm so, I'm so proud of you
I'm so, I'm so, I'm so, I'm so, I'm so proud of you
I'm so, I'm so, I'm so, I'm so, I'm so proud of you
I'm so, I'm so, I'm so, I'm so, I'm so proud of you
So proud of you
... f*ck you boy on twitter... we've been working nigga
We're working on top of it nigga
I aint' talking...
That's it!
