[Intro]

Wagin wars to shake the poet and the beat

I hope its gonna make you notice

I hope its gonna make you notice

[Hook]

someone like me, ohh ohhh

someone like me, ohh ohhh

someone like me

[Verse 1]

Alright, i'm livin my dream so watch as I close my eyes,
niggas don't know my life

How the fuck yall think you can walk in my shoes when
yall dont even know my size

Never been a gimmick, just a young nigga with lyrics,
hopin that the world wanna hear it

Tryna give you classics and not average, but nowadays
niggas don't know the difference

See if I talk shit, that raw shit, chance is that my record
aint spinnin

And if I drop shit, and I flop shit, I gotta start back at
the beginning

Oh cold world, what a crazy dilemma, and I got caught
in the middle

Yeah makin a difference or makin a livin but shit I gotta
make a decision

I aint never been a quitter, how can I stop, none of the
fake shit cuz that i'm not

I'ma give this shit all I got, I been through hell so I know
i'm hot

Gotta shut me down before they shut me up, power 100
proof i'm drunk as fuck

Oh I see exactly what the game needs

[Hook]

[Verse 2]

This some kind of mistake, nah he in line with his fate
Attitude never say die, and that's combined with his
faith

My time was comin, I just aint know how much time it
would take

They hear my soul in my shit, cuz I aint signed it away
Oh and I never will, fuck em i'm always real

Bein some shit you aint, how the fuck do u niggas live

How the fuck do you niggas feel, landon street in me
still
Too much life inside me to ever let another nigga steer
See, I would never lie to you look in my eyes I would die
for you
Put one finger in the sky for you
Fuck what another nigga tyna do
Leave my soul on the stage cuz I got down from the
high for you
Fuck critics, cuz i'm authentic, my time gon last longer
than 15 minutes
Meant it when I said that i'm headin to the top
Don't try n follow me mamma said the sky is the limit
And I believe dat, so i'ma be that
When you put limits on and I exceed that
See you conceive that, cuz you can see that
Rock and a hard place, i'm in between that
Niggas that hate me, I know that you don't mean that
Shit aint scored thats what its gonna be
The blind gon see, its been a long time since the game
seen
[Hook]
